CENTER AFFILIATE NETWORK APPLICATION

Center Affiliate Network (CAN) is a program of the NWA Center for Equality which creates partnerships with other community organizations. An "affiliate" must be an existing organization in Northwest Arkansas whose mission falls in line with that of the Center. As part of affiliate partnerships, the Center offers resources that might include, but are not limited to, an email address, a web presence, meeting and event space, and publicity. These partnerships will create solidarity throughout the LGBT community while cross-branding participants. The partnerships capitalize on existing resources, ensuring no additional burden on the Center. Please contact membership@nwacenterforequality.org for additional information.
